AMERICAN ASSOCIATION OF ORTHODONTISTS VOLUNTARY CERTIFICATION PROGRAM FOR ORTHODONTIC ASSISTANTS – The Hallmark of Excellence

Background:
The American Association of Orthodontists (AAO) is the foremost professional association in the specialty of orthodontics. As a specialized agency, AAO Services, Inc. grants the AAO Voluntary Certification Program® for orthodontic clinical assistants who demonstrate a high level of knowledge and proficiency. Voluntary certification is a process of non-governmental review of work experience, leadership, professionalism, education and knowledge within the orthodontic assisting profession. Individuals who earn certification confirm their commitment to quality and continuous improvement through a rigorous and comprehensive review. This is the hallmark of excellence in orthodontic clinical assisting.

Benefits of Voluntary Certification:
- Advances the art and science of the practicing orthodontic clinical assistant
- Maximizes professionalism within the orthodontic assisting specialty
- Increases the value of orthodontic assistants to employer doctors
- Raises the standard of orthodontic clinical assisting practice and ethics
- Recognizes a threshold of knowledge and proficiency within orthodontic assisting

ELIGIBILITY AND APPLICANT INFORMATION

Eligibility
Eligibility to apply is based on satisfying the established core requirements listed below and accumulating an additional 40 qualifying points as listed below. The application is available for download on the www.aaoinfo.org Web site.

I. Eligibility Core Requirements
The eligibility core requirements are:
1. Passage of the AAO Voluntary Certification Program® exam (Before paying for the test, determine if you satisfy II. Eligibility – Additional Requirements.)
2. Current CPR certification

II. Eligibility - Additional Requirements
Once the two (2) core requirements listed above are met, the applicant will need to obtain a minimum of an additional 40 points to qualify and apply for certification. Candidates may fulfill any combination of points to equal the minimum requirement.

Candidates with Disabilities
In compliance with the American with Disabilities Act (ADA), the AAO will provide reasonable accommodations for persons with diagnosed disabilities. If you believe that you require such accommodations, please contact the AAO Education Department to receive a special accommodations form. Return the completed form along with documentation of your disability related needs from a qualified health provider.
AAO Voluntary Certification Program®

The exam is administered only in the English language. Special accommodations will not be approved for candidates who request accommodations because English is a second language.

Application Policies and Procedures
To ensure that your application is accepted for review, please adhere to the following guidelines when submitting your application. Applications will be considered without regard to race, color, religion, creed, national origin, sex, age, sexual orientation, disability or any other legally protected characteristic.

PLEASE NOTE: Once all of the requirements are met, you may submit your application.

1. Submit the completed application form, fee payment and supporting documentation to the AAO Voluntary Certification Program® office.

2. Applications must be filled in completely and legibly, or they will be returned without evaluation. Applicants are responsible for providing a viable email address for communication purposes.

3. Supporting documentation must be enclosed with the original application, including documentation of formal education such as transcripts or diplomas, proof of professional organization memberships and published articles claimed in the application. All transcripts, diplomas or certificates of completion must be submitted with the application form in English. If these documents are in a language other than English, a translation agency must translate these documents into English. The candidate is responsible for having the translated documents notarized. Documentation may be mailed or electronically submitted to the AAO Voluntary Certification Program® office.

4. Correspondence will be handled via email. If you have not heard from the AAO Voluntary Certification Program® office on your application submission or resubmission within 14 days, it is your responsibility to contact the AAO Voluntary Certification Program® office.

Background Information Application Questions

1. **Felony convictions within the last five years** – If in the last five years, the applicant has been convicted of, or pled guilty or not contest to a felony or any crime punishable by confinement in a state or federal prison for any length of time further documentation will be required. (It is not required to report misdemeanor convictions. If you are not certain, answer “yes.”) Documentation may include a true copy of every police report, judgment of conviction, sentencing order and termination of probation order, if applicable; documents should show the offense underlying each conviction, date of conviction, penalties imposed by the court, and evidence that all of the requirements imposed by the court were completed.

2. **Disciplined by a regulatory board, credentialing agency, or an educational institution** - If the candidate has lost the authorization to practice dental assisting or any profession in a jurisdiction that does or does not require registration, licensure or other recognized credential or has been dismissed by an educational institution for an ethical violation than the candidate is required to submit further documentation. Documentation may include a true copy of an official statement from the disciplinary agency or educational institution describing the offense and penalties imposed. If applicable, provide evidence of completion or expiration of all penalties.
3. **Declared mentally incompetent by a court of law** - For a court declaration of mental incompetence, documentation may include true copies of all relevant court orders and related documents.

**Credential**
Upon successful completion of the eligibility process, applicants will receive a certificate by mail, suitable for framing and will be authorized to begin to use the credential of Specialized Orthodontic Assistant®, (SOA). An SOA lapel pin and wallet card will also be included with the certificate.

**Application Submission Fee and Testing Fee**
- The application submission fee entitles the applicant to a review of their application by the AAO Voluntary Certification Program® staff to determine eligibility.
- The Application Submission Fee is non-refundable.
- The testing fee supports on-going research and development expense.

**Application Tips**
- Complete the application in full
- Sign the application
- Enclose all required documentation
- Enclose the application payment

**Application Appeals Process**
An applicant who has been notified of ineligibility due to insufficient points may (within fourteen calendar days of the notice) appeal the results in writing to the AAO Voluntary Certification Program® Review Committee. A letter of appeal should be addressed to the Chair of the AAO Voluntary Certification Program® Review Committee, American Association of Orthodontists, 401 N. Lindbergh Blvd., St. Louis, MO 63141. Appeals can also be accepted via email by contacting: AAO Education Department. The appeal process is the applicant’s opportunity to clarify or provide further explanation of any qualifying items that were discounted by the reviewers. It is also an opportunity for the applicant to submit any documents that were previously omitted or to submit new items of consideration for additional points.

There is no appeal allowed for applicants who are ineligible because information was misrepresented.

**Candidate Confidentiality**
The identity and information concerning all applicants and approved candidates is confidential. Information concerning an applicant’s status is communicated directly to the individual via email. Application review results are not provided over the phone or to any third party.

Renewal Procedure

Your certification is valid for 3 years. After that period, renewal is required every three years to maintain the use of the credential. The renewal period begins exactly 36 months from the month and year that you successfully completed all requirements for initial certification.

A renewal notice will be sent prior to the expiration date. If you do not renew your certification, your certification will expire and you may not use AAO Voluntary Certification Program® credentials.

The renewal fee of $50.00 USD is due on or before the expiration date. Your new wallet card will be mailed approximately 1 to 2 weeks after receipt of your renewal form and required documentation.

The renewal requirements are:
1. Submit 24 Continuing Education credits or 20 Continuing Education credits plus 4 Continuing Education points
2. Submit proof of current CPR certification (CPR certification qualifies as four (4) hours of CE credit.)
3. Complete the Continuing Education form plus submit the required documentation

Continuing Education Credits

Continuing education (CE) credit may be earned in the following manner:

1. Required CPR Certification qualifies as four (4) hours of CE credit. If the applicant holds a two year CPR card, the CE credits only apply for the year in which the certification was earned. No CE credits will be given for the second year of certification. A photocopy of the front and back of the card dated and signed with the instructor’s name with the applicants name or signature is required.

2. Continuing education courses accompanied by a photocopy of the CE credit certificate. A certificate documenting proof of attendance is required. Continuing education credits are subject to audit. Submitting a range of dates without specific topics will not be accepted.

3. Continuing education courses must relate to the practice of orthodontic assisting or dental assisting. Courses taken must be approved, e.g., ADA CERP, DANB, National Dental Organization or State Dental Board or be part of an AAO and affiliated organization’s official program.

Continuing Education Points

Continuing education points may be earned in the following manner:
