Exhibitor Advisory Committee 2015 - 2016

The AAO Exhibitor Advisory Committee (EAC) provides a communication link between the AAO and its exhibitors. Each committee member represents exhibits of similar size requirements. The function of the EAC is as follows:

• Advise the AAO on current and proposed exhibit guidelines
• Provide the AAO with input on ways to improve the Exhibit Hall, both from the exhibitor’s view and the attendee’s view
• Provide a forum for discussion of issues of mutual concern. The EAC meets twice annually with the AAO Executive Director and the AAO Senior Meetings and Exhibits Manager.

Exhibitors are encouraged to contact committee members to share comments or suggestions.

Exhibitors may NOT bring attendees into the lounge or use the lounge for meetings. The lounge is strictly for registered AAO exhibitors.

All exhibits must be completely set up by 8:30am on Saturday, April 30, 2016.

Children under the age of 16 are not permitted in the Exhibit Hall during set up and tear down.
Hotel Reservation Policy

Exhibitor Hotel Services

The following policy was developed to assist AAO Annual Session exhibitors in securing appropriate hotel accommodations.

All exhibiting companies at the American Association of Orthodontists’ Annual Session are expected to use the AAO official housing company to secure room reservations for all employees registered for the Annual Session.

Accommodations for the Annual Session can be secured through OnPeak (AAO Hotel Services) after exhibit contract and deposit have been received.

If your company requires a block of 10 or more rooms, please send arrival/departure dates and hotel preference to OnPeak Account Manager via e-mail to Niki.Babarskas@onpeak.com, phone 312.527.7381.

Hotel Reservation Policy

Exhibitors are allowed to hold a block of rooms equal to the actual pick up for the previous year plus a maximum increase of 10%, unless they have increased their amount of exhibit space.

Shuttle Bus Information

There will be shuttle buses for the AAO’s 2016 Annual Session between AAO-designated hotels and the convention center.
Exhibit Space and Assignment

Space Assignment Policy

Initial space assignments are made in January 2016 for all applications received with deposits by December 2, 2015. After the initial assignment of space, exhibitors are accepted and space is assigned on a first-come, first-served basis within the other overall policies contained in the Invitation to Exhibit.

The assignment of space is determined by these general criteria:

- Amount of square feet purchased
- The number of previous meetings attended
- The date of receipt of the completed contract and deposit
- The nature of the company
- The products to be displayed

The AAO reserves the right to limit the amount of square feet purchased by any single exhibitor in order to preserve the diversity of the Exhibit Hall. The AAO also has the right to limit the number of exhibitors of similar products or services.

The AAO reserves the right to assign exhibitors within the Exhibit Hall according to the type of products or services exhibited. Other factors involved in the space assignment are the configuration of the Exhibit Hall and the theme of the Annual Session.

The AAO provides exhibits and displays outside of the Exhibit Hall for AAO-endorsed companies, not-for-profit organizations, and AAO services.

Relocation of Exhibits

The AAO may alter the location of any exhibit at any time, if in the best interest of the exhibition. The AAO also has the right to prohibit or remove any exhibit, or part of any exhibit, that violates policy, local ordinance, or is judged inappropriate by the AAO.

Exhibitors requesting additional available space on-site will be allowed to move upon approval by the AAO Senior Meetings and Exhibits Manager. The AAO Senior Meetings and Exhibit Manager reserves the right to deny additional space requests should the request cause undue hardship to the exhibition.

Space Rental Fees

The AAO space rental fees are based on the total square feet utilized. Space in the Exhibit Hall is rented on a square foot basis, with minimum rental being 100 square feet in a 10’x10’ configuration. When appropriate, the exhibit areas are provided with an 8’-high backdrape and a 3’-high side rail. The AAO reserves the right to determine island configuration availability.

On-Site Information

Exhibitor Staffing

It is the policy of the AAO that all exhibits be staffed throughout the official open hours of the Exhibit Hall. Exhibitors are required to open and close their exhibits according to the official exhibit hours.

Each exhibiting company may register three (3) representatives at no cost per each 100 square feet purchased. Exhibitors may register additional representatives at the cost of $50.00 per badge.

Admission of Guests

Admission of exhibitor guests is strictly prohibited. Badges will not be issued to representatives of non-exhibiting companies.

Exhibitors may not register orthodontists, dentists or other individuals as exhibitors unless they are employed by or officially represent the company and will staff the exhibit.

An exhibiting company who registers a representative from another company, or an orthodontist, dentist or other individual that is not an employee or official representative of the exhibiting company, will be assessed a $1,400 fee per non-authorized registrant. This fee represents the on-site registration fee for non-members, and it must be paid prior to the end of the show on May 3, 2016.

Name Badges

Exhibitors may register for name badges beginning February 19, 2016 online through the AAO website at aaoinfo.org. Access the information by clicking on the “Exhibitor Name Badges” link for instructions. Exhibit name badges will be printed on-site. Once on-site in Orlando, Florida, exhibitors can visit the exhibitor registration counter to purchase additional name badges or to make name badge changes or corrections. The exhibitor registration counter is located in Lobby A at the Orange County Convention Center.

Security personnel will be located at all entrances to the Exhibit Hall to ensure that only properly registered persons enter. Any transfer or unauthorized use of the official name badge is prohibited. Name badges may not be altered in any way.

Stickers, ribbons and/or emblems, designed for the purpose of being affixed to the official Annual Session identification badge are strictly prohibited.

Exhibit Hall Admission

Exhibitors are allowed to enter the Exhibit Hall 2 hours before the opening and are allowed to stay one hour after the closing of the Exhibit Hall.

Messages and Paging

Messages may be left at the AAO message center located in the Cyber Café. Messages will not be delivered.

Paging will only be allowed for documented emergencies. Exhibitors are encouraged to make arrangements through the Exhibitor Service Kit should they require telephone service in their exhibit. The Exhibitor Service Kit will be available online to exhibitors in February 2016.
Exhibitor-Sponsored Events

Exhibitor-Sponsored Hospitality Events

Friday, April 29 is the evening that has been set aside for exhibitor-sponsored hospitality events. Events must not start before 7:00pm.

Exhibitor-Sponsored Courses, Lectures, Study Groups, Clinics

Exhibitors and other persons are required to complete the Function Space Request form in the back of this book to conduct a course, lecture, study group, clinic or other such event. Once the event is approved, appropriate available space will be assigned to the group, and the group will work directly with the venue assigned.

Exhibitors in violation of this policy may be penalized in any manner deemed appropriate by the AAO, including having contracted space canceled without refund and removal from the Exhibit Hall without refund of space rental fees.

The American Association of Orthodontists will allow the presentation of meetings, programs, events, and courses by individuals, organizations or business entities in conjunction with the Annual Session if they comply with the criteria listed below.

1. Permission must be requested by the host from the AAO no later than six months prior to the Annual Session to which the event relates, which shall include a description of the event, location, proposed promotional materials and anticipated audience size and makeup. All requests must be approved in writing by the AAO, and the AAO reserves the right to approve or disapprove any presentation or event in its sole and absolute discretion.

2. Orthodontic manufacturers and dental supply companies requesting permission must be exhibiting at the Annual Session or conference related to the request.

3. Events must be held within forty-eight (48) hours prior to the Annual Session scientific sessions or following the conclusion of the Annual Session exhibition, with the exception of events sponsored and planned by entities related to the AAO, and then only with the prior approval of the Board of Trustees, in its sole and absolute discretion.

4. All event participants must be registered for the Annual Session to which the event relates.

5. Event organizers must utilize the AAO to secure official housing and meeting space. Events must be held in official AAO Annual Session facilities.

6. Approved event sponsors will not be allowed to use the AAO logo, Annual Session logo or refer in any way as being part of the Annual Session, unless previously authorized under an existing written agreement with the AAO.

7. Upon written approval, exhibitors may arrange for Annual Session attendees to visit/tour the exhibitor’s facility. Visits/tours may only take place during the date(s) designated by that year’s planning committee for Exhibitor-Sponsored Hospitality Events.
