Exhibitor Advisory Committee 2017 - 2018

The AAO Exhibitor Advisory Committee (EAC) provides a communication link between the AAO and its exhibitors. Each committee member represents exhibits of similar size requirements. The function of the EAC is as follows:

- Advise the AAO on current and proposed exhibit guidelines
- Provide the AAO with input on ways to improve the Exhibit Hall, both from the exhibitor’s view and the attendee’s view
- Provide a forum for discussion of issues of mutual concern. The EAC meets annually with the AAO Executive Director and the AAO Senior Meetings and Exhibits Manager.

Exhibitors are encouraged to contact committee members to share comments or suggestions.

Exhibitors may NOT bring attendees into the lounge or use the lounge for meetings. The lounge is strictly for registered AAO exhibitors.
Hotel Reservation Policy

Exhibitor Hotel Services
The following policy was developed to assist AAO Annual Session exhibitors in securing appropriate hotel accommodations.

All exhibiting companies at the American Association of Orthodontists’ Annual Session are expected to use the AAO official housing company to secure room reservations for all employees registered for the Annual Session.

Accommodations for the Annual Session can be secured through OnPeak (AAO Hotel Services) after exhibit contract and deposit have been received.

If your company requires a block of 10 or more rooms, please send arrival/departure dates and hotel preference to OnPeak Exhibitor & Group Analyst via e-mail to Colleen Rath at colleen.rath@onpeak.com or call direct at (312) 527-7304.

Hotel Reservation Policy
Exhibitors are allowed to hold a block of rooms equal to the actual pick up for the previous year plus a maximum increase of 10%, unless they have increased their amount of exhibit space.

Shuttle Bus Information
There will be shuttle buses for the AAO’s 2018 Annual Session between AAO-designated hotels and the convention center.
Exhibit Space and Assignment

Space Assignment Policy

Initial space assignments are made in January 2018 for all applications received with deposits by December 1, 2017. After the initial assignment of space based on the criteria listed below, exhibitors are accepted and space is assigned on a first-come, first-served basis within the other overall policies contained in the Invitation to Exhibit.

The assignment of space is determined by these general criteria:

• Amount of square feet purchased
• The number of previous meetings attended
• The date of receipt of the completed contract and deposit
• The nature of the company
• The products to be displayed

The AAO reserves the right to limit the amount of square feet purchased by any single exhibitor in order to preserve the diversity of the Exhibit Hall. The AAO also has the right to limit the number of exhibitors of similar products or services.

The AAO reserves the right to assign exhibitors within the Exhibit Hall according to the type of products or services exhibited. Other factors involved in the space assignment are the configuration of the Exhibit Hall and the theme of the Annual Session.

The AAO provides exhibits and displays outside of the Exhibit Hall for AAO-endorsed companies, not-for-profit organizations, and AAO services.

* Based on criteria listed below

Relocation of Exhibits

The AAO may alter the location of any exhibit at any time, if in the best interest of the exhibition. The AAO also has the right to prohibit or remove any exhibit, or part of any exhibit, that violates policy, local ordinance, or is judged inappropriate by the AAO.

Exhibitors requesting additional available space on-site will be allowed to move upon approval by the AAO Senior Meetings and Exhibits Manager. The AAO Senior Meetings and Exhibit Manager reserves the right to deny additional space requests should the request cause undue hardship to the exhibition.

Space Rental Fees

The AAO space rental fees are based on the total square feet utilized. Space in the Exhibit Hall is rented on a square foot basis, with minimum rental being 100 square feet in a 10’x10’ configuration. When appropriate, the exhibit areas are provided with an 8’-high backdrape and a 3’-high side rail. The AAO reserves the right to determine island configuration availability.

On-Site Information

Exhibitor Staffing

It is the policy of the AAO that all exhibits be staffed throughout the official open hours of the Exhibit Hall. Exhibitors are required to open and close their exhibits according to the official exhibit hours.

Each exhibiting company may register three (3) representatives at no cost per each 100 square feet purchased. Exhibitors may register additional representatives at the cost of $50.00 per badge.

Admission of Guests

Admission of exhibitor guests is strictly prohibited. Badges will not be issued to representatives of non-exhibiting companies.

Exhibitors may not register orthodontists, dentists or other individuals as exhibitors unless they are employed by or officially represent the company and will staff the exhibit.

An exhibiting company who registers a representative from another company, or an orthodontist, dentist or other individual that is not an employee or official representative of the exhibiting company, will be assessed a $2,150 fee per non-authorized registrant.
