Charley Schultz Resident Scholar Award 2017

For better dentistry

Bensply GAC

Sponsored by Dentsply-GAC, International

The Charley Schultz Resident Scholar Award program is sponsored by Dentsply GAC and was established by the American Association of Orthodontists (AAO) in 2004. The Charley Schultz Resident Scholar Award offers an opportunity to graduate students/residents to present clinical science and basic science research using narrative material and a posterboard at the 2017 AAO Annual Session in San Diego, CA.

Eligibility

Forty current graduate students/residents or residents who graduated in the past academic year are eligible to participate in the program. Applicants must be or graduated from an ADA or CDA accredited program. Up to 5 International graduate students/residents will be allowed to participate in the program if their application is within the first 40 received. The finalists will be admitted on a first-come, first-served basis.

Each Orthodontic Program Chair is to select only one graduate student/resident to compete in the program.

Graduate students/residents who participate in the Charley Schultz Resident Scholar Award program are eligible to submit their research in the form of a publishable manuscript the following year, but not the same year, for the Milo Hellman Research Award, the Harry Sicher Research Award and the Thomas M. Graber Awards of Special Merit.

Payment and Awards

Each participant will be issued one complimentary ticket for the Excellence in Orthodontics Awards Luncheon and will receive a payment of $750 during the Excellence in Orthodontics Awards Luncheon on April 23, 2017.

The $750 payment represents a $500 honorarium and a $50 per day allowance for meals and miscellaneous expenses incurred while attending the AAO Annual Session. Participants are not required to submit travel expense receipts to the AAO for this payment.

Awards will be presented in each of two categories (clinical science and basic science). Awards in the clinical science category will be given to students with abstracts that report on new orthodontic procedures/techniques or interesting case studies. Awards in the basic science category will be given to students with abstracts that report on basic science (anatomy, biochemistry, biomaterials, etc.) in orthodontics.

The award winners will be announced at the Excellence in Orthodontics Awards Luncheon. Award amounts are as follows:

- Clinical Science First Place Award $1,000
- Basic Science First Place Award $1,000
- Clinical Science Second Place Award $750
- Basic Science Second Place Award $750
- Clinical Science Third Place Award $500
- Basic Science Third Place Award $500

At the discretion of the judges, two additional awards for either basic science or clinical research can be awarded. These awards will be $500 each. The Charley Schultz Resident Scholar Award is an award which is a direct reimbursement for travel and lodging expenses not to exceed the amount of the award. Award winners will need to submit a completed AAO expense form along with receipts for lodging and travel expenses. These expenses cannot include meal costs.

How to Apply

1. Only online submissions are accepted. Complete and submit the application and abstract form available at www.aaoinfo.org. An application received without an abstract will not be considered.

2. Abstracts should contain the appropriate information under the following subheadings: background, purpose, research design, results and conclusions.

3. Applications and abstracts will not be accepted after Wednesday, February 15, 2017, at 6:00pm EST.

4. Applications will be reviewed by a member of the Council on Scientific Affairs for correct category placement.

5. Applicants will receive an e-mail notice of acceptance by February 22, 2017. Please provide an e-mail address that will be valid after February 22, 2017 so you will receive this notification.
