

# THE COLORADO ORTHODONTIC FOUNDATION

in partnership with Kids in Need of Dentistry (KIND)

**For additional program information call:**

**Alexandra Gage, Managing Director, The Colorado Orthodontic Foundation**

**Phone: (303) 501-3691**

**Email: [alexandra@coloradoorthodonticfoundation.org](mailto:alexandra@coloradoorthodonticfoundation.org)**

413,000 of Colorado children are living below the poverty line  
or in low – income families\*

These children have limited or no access to oral health care...

Poor oral health care can be related to chronic dental pain, failure to thrive, impaired speech development, absence from and inability to concentrate in school, and reduced self esteem.

How to receive services: Families must qualify through Kids In Need of Dentistry and be an established patient to receive braces at a reduced cost. Please visit KIND at [www.kindsmiles.org](http://www.kindsmiles.org) or call: 303.733.3710

How to become involved: The Colorado Orthodontic Foundation (COF) partners with non-profit organizations, dentists, and other health care specialists to provide braces to children and families that cannot afford orthodontic services. Please visit our website at [www.thecof.org](http://www.thecof.org) for more details.
