Dear Colleague,

On behalf of the 2018 AAO/AAPD Winter Conference Planning Committee, we invite you to a unique meeting featuring expert orthodontic and pediatric dental lecturers from several countries. We will focus on early orthodontic treatment and how we can work together for excellent results. Trauma will be addressed from both orthodontic and pediatric dental perspectives. Lectures will also address impaction, malformed first molars, dental transplants, decoronation, anterior crossbites, whitespot lesion prevention and treatment, autistic and cancer patients, parental expectations and risk management.

Located near Phoenix with its wealth of entertainment, the Westin Kierland Resort offers many family activities and outdoor recreation including three 18-hole golf courses.

We truly hope to see you at what will be an outstanding conference. Plan to join us!

Sincerely,
